ENVIRONMENT

One of the main objectives of Hotel Perla Marina is to contribute and to protect the environment, saving energy and water and to reduce chemical products for the cleaning. For that, please we need your collaboration in reusing the towels if they are not dirty, hanging up in the hanger or, if the towels are dirty, please leave it inside the bath. Please, do not forget of leaving the air conditioner and lights turn-on when you leave the bedroom and reuse the amenities not finished.

FIRE EVACUATION IN CASE OF FIRE

The documentation is at your disposal behind the door of your room.
